

# Dang Viet Hung

## CTO

With 13 years of experience in the field of software engineering, I have held various positions ranging from developer, tech lead, and manager, to 5 years of experience as a CTO. I had the honor of being ranked in the top 10 CTOs of the CTO Summit 2021 competition, as voted by vnexpress newspaper. I possess extensive knowledge and experience in web development, data engineering, cloud computing, and devops. My ability to build and develop teams from scratch includes activities such as conducting interviews, providing training, and leading teams.

Apr 2018 - Feb 2020

Become the first integrated platform and ecosystem for logistics operation

- Spearheaded team development, training, and growth
- Successfully designed and implemented a comprehensive Transport Management System (TMS)
- Deployment of an efficient Warehouse Management System (WMS)

# Smartlog (<https://gosmartlog.com/gioi-thieu/>)

CTO

Mar 2020 - Present

Become the first integrated platform and ecosystem for logistics operation

- Pioneered the creation and deployment a transportation marketplace platform system to facilitate coordination between truckers and shippers
- Pioneered the creation and deployment container optimization solutions to enhance coordination between shipping lines and truckers
- Established a data warehouse by integrating data from multiple sources.

## 技術

**WEB DEVELOPMENT** NodeJS, Dotnet, ReactJS, React native, Angular, Docker, Postgres, Redis, Queue, Cypress

**DATA WAREHOUSE** Kafka, Kafka connector, Prefect, Flink, Big Query, Postgres

### DEVOPS

AWS, Kubernetes, Terraform, Jenkins, ArgoCD, Prometheus, ElasticSearch, Grafana, Kibana, Logging/Tracing

**MANAGEMENT** Engineering Management, Agile Development, Project Management, Leadership

## EDUCATION

### Japan Advanced Institute of Science and Technology

Oct 2009 - Oct 2011

Master Software Engineer

### Bach Khoa University

Sep 2004 - Apr 2009

Bachelor Information System

## AWARDS

### Third Prize at Scientific Research Contest for Excellent Students

Dec 2008

Presented by the Minister of Education and Training

### Third prize of VIFOTEC technical invention award

Dec 2008

Presented by Vietnam Fund for Supporting Technical Creations (VIFOTEC)

### Japan Literacy and IT Test (JL1)

Jan 2016

Japan Literacy and IT Test (JLIT)

### Top 10 Vnexpress CTO Summit 2021

Oct 2021
